DUMMER ACADEMY

ONE HUNDRED AND FIFTY-EIGHTH YEAR
1920-1921

By the gift of his estate, comprising three hundred and thirty acres of land in Newbury, Massachusetts, with his country house and farm buildings, Lieutenant-Governor William Dummer laid the foundation for the Academy which bears his name. The school was opened in 1763 and incorporated in 1782. It is the oldest school of its kind in New England.

For twenty-five years from its opening, the Academy was conducted by Master Samuel Moody, Harvard 1746. During that time over five hundred boys attended the school, many of whom rose to eminence. Among these may be mentioned Rufus King, Chief Justices Theophilus Parsons and Samuel Sewell, President Webber of Harvard, Tobias Lear, Washington's secretary, and Samuel Phillips, founder of Exeter and Andover Academies. The lives and characters of these great men and of their successors in the school appeal strongly to the boy of to-day, arousing his ambition to follow in their steps.

The school aims to discover the possibilities of each student and to train him so that in utilizing his possibilities, he may think clearly and soundly, and, with widened perceptions and strengthened affections, seek eagerly his proper place in the community, render full service, and advance high purposes.

THE UPPER SCHOOL

THE CLASSICAL COURSE is designed to meet fully the entrance requirements of candidates for the A. B. degree in any university or college.

THE SCIENTIFIC COURSE prepares for Massachusetts Institute of Technology and similar institutions.

THE ENGLISH COURSE is designed for those who do not expect to pursue their studies beyond graduation.

WRITTEN EXAMINATIONS are held monthly and reports are sent regularly to the parents.

THE CERTIFICATES of this school, in lieu of examinations, are accepted by all New England Colleges (except Harvard and Yale, which admit by examination only),—and by other American universities.

THE JUNIOR HIGH SCHOOL

THE JUNIOR HIGH SCHOOL includes the two grades next below the Upper School. The work is departmental. A large part of the instruction is given by masters in the Upper School. This arrangement insures coördination.

Promotion from grade to grade and from the Junior School to the Upper School is made when individual progress warrants it.

Every effort is made to advance the pupil at a rate best suited to his needs and attainments.

THE JUNIOR SCHOOL

THIS DEPARTMENT covers the work done in the 6th, 7th and 8th grades of a grammar school and furnishes a thorough preparation for the Junior High School of the Academy.

ADMISSION

STUDENTS are eligible for admission to the first and second year classes of the Lower School or of the Upper School, if qualified as shown by approved records or examinations and satisfactory testimonials as to character. They may, in case of vacancies or by special permission, be admitted into other classes on satisfactory evidence of good character, industry, and average ability.

APPLICANTS for the first year in the Upper School are examined in Arithmetic through percentage, Geography, English, Grammar, and the elements of United States History.

APPLICANTS for the Lower School must be more than ten years of age and be able to do the work of the sixth grade in the public schools.

BOYS are entered for the entire year, except in special cases in which it is otherwise agreed in writing before entering.

No STUDENT will be retained in the school whose removal, either permanent or temporary, is believed to be for his best interest or that of the school.

No STUDENT is allowed to remain at the Academy during the regular vacations except by special arrangement made with the Master.

EXPENSES

DAY PUPILS pay \$200.00 a year.

BOARDING PUPILS pay \$850.00 a year.
(See also Scholarships.)

THERE is a Laboratory fee of \$8.00 in Chemistry, Physics and Biology.

THERE is an Athletic fee of \$10.00.

BOOKS, STATIONERY and similar supplies are furnished at list rates.

LINEN. (The school has discontinued the practice of furnishing linen for the use of students, and the annual fee of ten dollars for such use is withdrawn.)

LAUNDRY is charged at list rates.

CARTAGE OF BAGGAGE is charged at fifty cents per piece. There is a cartage charge on all express matter.

BREAKAGE by students is charged to the individual account when possible, otherwise to the students pro rata.

SAVE in the two upper classes, spending money should be paid only through the school, from a deposit placed with the school for that purpose.

THE SCHOOL cannot advance money for the students' needs.

TIME OF PAYMENTS

A BOARDING PUPIL is required to deposit \$15.00 at time of registration. This is applied on the final (June) bill.

THE FEES for day pupils (\$200.00 a year) and for boarding pupils (\$850.00 a year) are payable in advance, as follows: One-half October first, one-half January first. No reduction or allowance for any cause will be made except in case of prolonged absence for sickness, when the loss is shared equally by the School and the parents.

ALL OTHER CHARGES are payable January 1, April 1, and June 1.

MEDICAL ATTENTION

Slight illness is cared for at the School Infirmary, under the direction of Dr. Frank W. Snow. Surgical cases requiring X-ray examinations and specialists are treated at the Anna Jaques Hospital in Newburyport, where the services of the best physicians and surgeons from Boston are available.

OUTFITS

EACH BOY is supplied with couch, mattress, pillow, double blanket, chiffonier, table and chairs.

HE SHOULD bring a bath-robe, bed slippers, bath towels, common towels, four sheets for bed three feet wide by six feet six inches, pillow cases, napkins and ring, couch cover, two bags for soiled clothes, a small rug and additional blankets. All articles should be marked with the owner's name, not initials.

SUITABLE CLOTHING and footwear for outdoor life in all weathers are essential. A sweater and gymnasium suit are also necessary.

ATHLETICS

THERE ARE facilities for all branches of athletics, including golf.

THE REGULAR teams are well supported, but they are regarded as a means and not an end. Athletics are designed for the health and enjoyment of the students, and are taken in the open air whenever possible. Regular out-of-doors exercise in some form is required of each student.

DAY STUDENTS, as well as the boarding students, may be required to take physical training in the afternoons.

MUSIC

INSTRUCTION on the piano and violin may be had by special arrangement. The school has an Orchestra, which enables those who have made some progress in music before coming to the school to keep in practice and to have the experience of actual playing with others in concerts and elsewhere.

RELIGIOUS LIFE

WHILE THE SCHOOL is a Congregational foundation, it is in fact non-sectarian. It holds that some positive religion is of great importance to the developing boy and seeks to enrich his life by teaching the love of truth and the significance of worship and aspiration.

THE EXERCISES of each day begin with morning prayers. On Sunday, attendance at the morning service of the Byfield Parish (Congregational) Church, or at some other church selected by parent or guardian, is required.

ON SUNDAY AFTERNOONS the Students meet the Masters in a regular course of Sunday-school lessons. In the evening the whole school gathers for a service of song and an address by the Master or a speaker invited to conduct the service.

AS A PART of the school course regular instruction is given in the Bible as literature.

EQUIPMENT

THREE HUNDRED AND SEVENTY ACRES of rolling land, bordering on the Parker River, an arm of the sea from Plum Island Sound, on the North Shore of Massachusetts.

THE GOVERNOR'S MANSION HOUSE. (Built 1716.) A fine piece of Colonial architecture, occupied by the Master.

PARSONS SCHOOL HOUSE. The principal school building, containing library, laboratories, recitation rooms and an assembly room used in the preparation of lessons.

THE COMMONS. Headquarters for the school life, containing a comfortable living-room used as a common gathering place, an adequate dining-hall with modernized commissary equipment, the Master's office, and rooms for sixteen senior boys.

MASTER MOODY HOUSE (opened September, 1915). A dormitory for fourteen boys, from ten to thirteen years of age, a living-room, rooms for a married master; all planned so as to give constant oversight and care in pleasant surroundings. The wing of this house, with separate entrance, is arranged for an Infirmary.

CLEVELAND HALL. A new brick dormitory (40x65), opened October, 1918, almost a century after the appointment of Nehemiah Cleaveland, in whose honor it is named, as Master of Dummer Academy. This building has excellent accommodations for 27 boys, one married master and

an assistant; also a large living-room, quarters for the Junior School, and a room for Mechanical Drawing. This is the first of a new group of buildings already planned to take care of the growth of the school.

THE MASON COTTAGE. Eight rooms, occupied by a master and his family. This is a step towards securing adequate housing for married members of the faculty.

THE GYMNASIUM. Sufficiently equipped with apparatus and with bathing facilities and a 30 by 60 foot basketball floor.

BASEBALL, FOOTBALL AND TENNIS. Provision is made for these sports on the school property. There is a large barn where horses may be kept; also a garage. (Students are not allowed to keep a motor car at school.)

THE ORIGINAL SCHOOL HOUSE. Dating back to 1763, now remodeled and used as a chapel.

ALL THE BUILDINGS are lighted by electricity and have steam heat.

WATER PLANT. All the water used about the school is piped from large springs a quarter of a mile away. The springs and their surroundings are controlled by the school.

GOLF LINKS. Students, with the approval of the Master, are admitted to the links of the Ould Newbury Golf Club (located on the school property) at a fee of \$5.50 per year.

PERMANENT FUNDS, SCHOLARSHIPS AND PRIZES

GOVERNOR SCHOLARSHIPS.

William Dummer, the founder, Lieutenant-Governor and acting Governor of Massachusetts Bay Colony, provided in his will that the income from his dwelling-house, farm and real estate in the Parish of Byfield should be appropriated to building a grammar school house, and thereafter toward the maintenance of a grammar school master.

The income of his estate is applied to the maintenance of the Master. This is carried out through the establishment of Governor Scholarships of a value equivalent to the annual income. These are awarded annually to boys coming to the school from the Parish of Byfield as day pupils, upon their giving satisfactory evidence of good character, industry and ability. The First Governor Scholarship is equivalent to \$200.00, and it entitles the boy found by the Master best qualified among those eligible, to attend the school free of tuition for a year. Each of the other scholarships is equivalent to \$150.00, and entitles the holder to attend the school at the reduced cost of tuition of \$50.00 a year.

MOODY KENT FUND.

\$500.00

Moody Kent of Concord, New Hampshire, a student in the Academy in 1797, by his will in 1866, bequeathed \$500, the income to be expended in the purchase of medals with suitable devices or engravings thereon, not less than two nor more than ten each year, to be given to such scholars or pupils as shall in the opinion of the Trustees be best entitled by their good behavior and attainments to such marks of distinction, and would be most likely to profit by them; not more than one medal to be given to any individual and none to be given to any individual who has not been at least one year at the Academy.

By an Act of the Legislature of Massachusetts, 1909, Chapter 74, the Trustees of Dummer Academy in the County of Essex were authorized to use the income of the Moody Kent Fund for diplomas and other prizes to such students as said Trustees from time to time shall deem deserving, instead of for medals as provided in the will of Moody Kent.

On Commencement Day each year six prizes of \$10.00 each are awarded for the highest standing in the following subjects: English, Classics, Modern Languages, Mathematics, Science and History.

STICKNEY FUND.

\$10,000.00

Sarah Hale Stickney of Lowell, Massachusetts, by her will allowed July 10, 1883, gave a legacy of \$10,000 to be known as the Stick-

ney Fund, in memory of her honored father, Samuel Stickney, a former pupil and for many years a Trustee of the school, and of his interest in the Academy and in the cause of education and religion, the income to be used for the support of instruction and for the benefit and advancement of the Academy.

The income is used for the Stickney Fund Teaching Foundation.

CYRUS WOODMAN FUND. \$1,000.00

Cyrus Woodman of Cambridge, Massachusetts, a Trustee of Dummer Academy from 1881 to his death in 1889, bequeathed the sum of \$1,000, which was given to the Academy, to be known as the Cyrus Woodman Fund, the income only to be used for the general purposes of the school.

EWELL FUND. \$100.00

John Lewis Ewell, who graduated from the Academy in 1856, by his will, allowed in 1901, bequeathed \$100 to be known as the Ewell Fund, the income only to be used and to be expended by preference in books illustrative of the Bible or aiding in its study.

STERNS FUND. \$500.00

Mrs. Harris O. Poor and Mrs. Charles Swan in December, 1913, gave the sum of \$500 to be called the Sterns Fund, in memory of their Father, Samuel Sterns of Bangor, Maine, a student in the Academy in 1859; the income to be awarded each year to some

deserving student for the purchase of text books, or the principal with the approval of the donors to be used as a student loan fund.

NEWBURYPORT CHAPTER, DUMMER ALLIES FUND.

On April 9, 1912, the Newburyport Chapter of Dummer Allies made a gift of \$300 with the intention of making further gifts from time to time until the several gifts, together with interest at 4 per cent, should be equivalent to \$2,000; and thereafter the Newburyport Chapter of Dummer Allies should have the right to nominate each year, subject to the approval of the Master, a day student to be educated at the Academy without further charge for tuition, under a scholarship to be called the Newburyport Chapter of Dummer Allies Fund.

On June 1, 1915, the fund of \$2,000 was completed and presented at commencement.

NEWBURY CHAPTER, DUMMER ALLIES FUND.

On September 11, 1913, the Newbury Chapter of Dummer Allies gave the sum of \$100 to be used as a loan fund for deserving students, to be repaid by them to the permanent funds of the Academy.

They also give each year two scholarships of \$25.00 each as additional aid to students from the Parish of Byfield.

CHARLES W. MOSELEY FUND.

By his will, Charles W. Moseley, Esq., of Newburyport, Mass., a student of the Academy in 1861, and a Trustee from 1883 to

1908, gives to the Academy \$2,500.00 as a permanent fund, stating that he did so inasmuch as his grandfather, his father and he had been Trustees of the School. The income of the fund is to be used for general purposes.

GOODWIN ATHLETIC PRIZE.

Each year Mr. Frederick Howard Goodwin of New York City provides a prize of \$10 for the best all-around athletic record of the year.

EDWARD PARISH NOYES FUND. \$17,140.00

In 1915, Mr. Joseph Lee of Boston gave the sum of \$17,140, stating that "my purpose in making the gift, besides helping the Academy in which I have a thorough belief as embodying a valuable tradition and being an excellently conducted school, is to provide some appropriate memorial to Edward Parish Noyes." Mr. Noyes was of the Class of 1873 and a Trustee from 1895 to his death in 1913. Part of the fund was used, with other gifts, toward erecting the Master Moody House and Cleaveland Hall. The income from the fund is used for the Edward Parish Noyes Teaching Foundation.

AMBROSE PRIZES FOR DECLAMATION.

Each year Mr. Fred M. Ambrose, of the Class of 1876, gives the money for three prizes for Declamation, to be awarded on Commencement Day: First Prize \$25.00, Second Prize \$15.00, Third Prize \$10.00.

MORSE FLAG.

In 1913, the Rev. Glenn Tilley Morse, in memory of his ancestor, Anthony Morse, one of the first settlers of Newbury, made a gift whereby an American Flag should be awarded annually to the student of the graduating class whose record in all respects meets with the highest approval of the Faculty.
